

# 2012 CAB Chairs Meeting

## RSY – Notes

- **David Huizenga** – Top EM person
  - Discussing Uranium bartering – plus for Tails processing
  - Working a technology to make nickel safe for re-use
  - Asset revitalization – important program
  - Very interested in Paducah future use issues and supportive of our initiatives – interest in historic projects
  - Engaged with CAB on one-to-one level

# RSY – Notes

- **Terry Tyborowski** – Top EM financial person
  - CAB budget input made a difference
  - Continuing resolution likely for 2013 spending
  - January 2013 – Budget Control Act – 10% cut
  - 2014 budget will meet compliance requirements
    - Enforceable milestones after 2014 may be at risk
    - 2013 milestones, if 10% cut done?

# RSY – Notes

- **Frank Marcinowski – Top EM Waste Expert**
  - Nickel expression of interest – due April
    - NEPA process to follow – 9 to 12 months
    - Decision to move forward – 2013
  - Blue Ribbon Commission response to Congress
- Review process for new CAB members
  - DOE doing the best they can to approve new members

# RSY – Notes

- Hanford CAB outreach focus on consensus issues
  - Waste disposition alternatives – not ready
  - Groundwater – ready
  - Historic preservation – ready
  - Paducah CAB outreach is on the right track
- More CAB collaboration and discussion during this meeting

# RSY – Notes

- Logistics
  - Tour went well – meeting venue great!
  - I-Pads worked well
  - Participants enjoyed themselves
  - Eric, Jim, and Portsmouth staff not stressed
- Two items for Action by the Paducah CAB
  - EM SSAB (Chairs) letter to EM
  - Budget recommendation
